REQUEST FOR CORRECTION OF FILING RECEIPT
24 February 2004

**OFFICE OF INITIAL PATENT EXAMINATION'S
FILING RECEIPT CORRECTIONS DIVISION**

Status:

A Filing Receipt for the above-referenced patent application has been issued by the PTO. The Filing Receipt sets forth an inaccuracy concerning the present application: the "Foreign Applications" section lists a priority document as "GERMANY 10253887 11/18/2002"; it should be listed as "GERMANY 10253887.5 11/18/2002". The

instant request provides the PTO with correct data so that the records for this patent application may be appropriately updated.

A copy of the PTO's Filing Receipt is included with this request. Reference to the Filing Receipt and the attached copy of the Applicant's signed Declaration and Power of Attorney, along with a copy of the face page of the Certified Copy of the subject priority document should provide the Office with sufficient evidence to support Applicants' request for correction. (The original certified copy of the referenced priority document is being filed with Applicant's response to Notice of Missing Parts.)

A correction of the Filing Receipt is respectfully requested in this regard.

Should the Customer Correction Branch have any questions concerning this Request For Correction of Filing Receipt, a call to the undersigned is encouraged.

Respectfully submitted,

GRAYBEAL JACKSON HALEY LLP
